

# Fruit Fly Trap & Holder

- Domestic

- The patented conical design of the trap captures fruit flies but does not let them escape. The non-toxic, natural lure is proven to attract and be effective for 30 days. The recyclable trap is also designed not to leak if it's dropped or tipped upside down. Simply peel back the protective paper and start trapping.

- 12 traps per case

- Sold separately from the OnGuard Fruit Fly Trap, the adhesive-backed holder allows the trap to be hidden under counters, serving stations, sinks and almost anywhere fruit flies are found. The reusable holder can be securely placed sideways or upside down.

- 12 holders per package
